

2011
UINTAH BASIN JUNIOR
LIVESTOCK SHOW & SALE
JUNE 27th, 28th, 29th, 30th

Grand Champion & Reserve Lamb
Exhibited by: Brandt Henline
Purchased by: Henline Club Lambs
RC Lamb, Dennis Henline, Angela Siddoway

Grand Champion Goat

Exhibited by: Jalen Wade

Purchased by: Anadarko

Reserve Champion Goat

Exhibited by: Tucker Tomlinson

Purchased by: Jake Huffman

Dear Exhibitors, Parents and Leaders,

The 2011 Uintah Basin Junior Livestock Show will be as exciting and challenging as ever. The Livestock Show offers many opportunities for our youth. The knowledge, hard work, and dedication that youth develop from being involved with a 4-H and FFA livestock project will provide acquisition of leadership skills and responsible behavior that will follow them for a life time.

While exhibitors are present at Western Park, a parent or guardian should also be present.

The Uintah Basin Junior Livestock Show Committees along with other volunteers, are dedicated to making this year's show the best possible. We wish to welcome those exhibitors and their families who have traveled from out of the county and hope your stay with us is a positive one.

Again this year exhibitors will be responsible to provide their own sawdust for bedding. A supplier will be available on the fairgrounds.

**Glen Harrison, President
Chris Brough, Vice President**

SUMMARY OF CHANGES FOR 2011

Show two animals - sell one

The show is open to beef, hogs, lambs and meat goats. All exhibitors may show any combination of two animals. Only one animal will be sold at the auction.

UBJLS is now a Utah State sponsored show

All rules of the Utah State Junior Livestock Show Association apply.

Goat Classes

Market and showmanship classes will be held on the afternoon of Monday, June 27, 2011.

Breeding Heifer Classes

Only those exhibitors and animals entered in UBJLS breeding heifer classes in 2010 are eligible for the 2011 breeding heifer classes.

Declaring Animals

Exhibitors will have 1 hour after the final market class to declare which animal is to be sold. After that exhibitors may pull an animal but **NOT** replace an animal in the sales list.

2011 UINTAH BASIN JUNIOR LIVESTOCK SHOW

MONDAY, June 27

For security reasons, no animal can be unloaded before weigh-in. If you unload early, you will be **disqualified** from the show.

- Weigh-in 9:00 a.m. - 1:00 p.m.
- Exhibitors & Parent Meeting 2:00 p.m.

Senior, Intermediate & Junior Divisions 1st-10th awards each division

Special Achievement Beef Award	Buckle
Special Achievement Hog Award	Buckle
Special Achievement Lamb Award.....	Buckle
Special Achievement Goat Award.....	Buckle
Special Achievement Overall	Buckle

UINTAH BASIN JUNIOR LIVESTOCK SHOW

PURPOSE OF THE SHOW

The purpose of the show is to stimulate interest among livestock breeders and members of 4-H and FFA Clubs of Utah in feeding and breeding better livestock.

The objective of the show is to furnish interested youth a medium through which they may display and sell their animals. Particular emphasis is placed on cooperation, showmanship, notations on market demands, and giving the public a better appreciation of the value and quality of livestock raised by Utah youth.

RULES AND REGULATIONS

Exhibitors must abide by the rules of the Uintah Basin Jr. Livestock Show as listed below.

1. Age – Exhibitors must be in the third grade, but not less than 8 years of age as of October 1, 2010. Exhibitors can show only through the summer following their high school graduation.

2. Group Affiliation – An exhibitor may enter the show only as a 4-H or FFA member, but not both. Exhibitors must declare one or the other at the time of entry.

3. Ownership of animals – The exhibitor will own, possess, feed and care for his/her project animal(s) for not less than 100 consecutive days for market beef and 60 consecutive days for market swine, market lambs, and market goats immediately prior to the show. No interruption of ownership or possession can occur. **Name Change** - If animals have been shown in a market show in state or out-of-state, it must be shown in the same exhibitor name as in all subsequent shows.

4. Tagging – The Extension/4-H agent, FFA advisor, or a member of their appointed committee shall tag each animal and process the proper forms. Should a tag be lost or pulled out of the animal's ear, the exhibitor will advise the committee supervisor immediately so the tag can be replaced and the appropriate paperwork can be processed. Registration forms are due into the County Extension office 30 days before the show.

5. Any exhibitor caught breaking the rules, mistreating animals, or involved in un-sportsman like conduct in any Junior Livestock Show will be banned from the Uintah Basin Junior Livestock Show for at least one year, with up to a possible lifetime ban if deemed necessary by the committee. Any exhibitor who vandalizes the area before the sale will be barred from the sale. Any vandalism committed by an exhibitor after the sale will result in the exhibitor being barred from participating in next year's show.

6. Entry Fee & Form – An entry fee of \$10.00 per head for all animals attending the show **MUST BE ATTACHED TO ENTRY FORM** and is non-refundable. Primary and alternate animals must be listed on the entry form. **Incomplete forms will be returned to the participant and if not completed and back again by the deadline, will not be accepted. Contestants arriving at the show with animals that were not entered properly on the entry form, or that have not submitted the required fees, or with the wrong tag number will be dismissed.**

7. Exhibitors will be responsible for delivery of their animals to the show grounds on the day animals are weighed in and their removal from the grounds after the show concludes. No animal may be loaded without approval of the Animal Security Chairpersons.

8. Feed and bedding will be furnished by the exhibitor.

9. Any animal not making the weight by 1:00 P.M. on Monday cannot enter market classes, but can enter Fitting & Showing.
ANIMALS CAN ONLY CROSS THE SCALE ONCE.

10. Exhibitors must be in attendance at the show, unless excused for reasons deemed acceptable by the Stock Show Committee. Exhibitors must attend to their animals and exhibit them in the show ring when called by the judge. An exhibitor' must sell his/her own animal. Any exceptions must be approved by the stock show committee.

11. **Dress Code:** **4-H** – A long or short sleeved shirt, which fastens down the front with a collar, is mandatory. Shirts must be white in color and need not be western style. Black or blue pants are to be worn. There is to be a 4-H emblem or patch on all 4-H member shirts. **FFA** – Either a white shirt, tie and FFA jacket, or a white shirt with the FFA emblem and tie. The following will not be allowed: T-shirts, tank tops, tube tops, sleeveless shirts or vests. Exhibitors that fail to abide by dress standards will forfeit prize money.

12. **4-H portfolios and FFA record books** must be up-to-date at the time of the Livestock Show and approved by the 4-H Leader or FFA Instructor. 4-H exhibitors will submit the 4-H Portfolio with supplementary pages as determined by the portfolio book committee. Portfolio books are to be submitted when the animals are weighed. The deadline for submittal of portfolio books will be the end of the exhibitors meeting on the first day of the show. Books will be judged and given 1 to 5 points, depending on quality, for the Special Achievement awards. The books will be available to pick-up after the beef market class. Exhibitors are responsible to pick up their books. It is the exhibitor's responsibility to keep track of their portfolio book.

13. The Stock-show Committee will work diligently to secure livestock and property, but in **NO CASE WILL IT ASSUME**

RESPONSIBILITY FOR LOSS OR DAMAGE WHICH MAY OCCUR.

14. Placing and arrangement of livestock in the barn will be determined by the Stockshow Committee.

15. Only animals of good quality and prepared for exhibit will be permitted to be shown. All animals must be fit, clean and presentable.

Lamb Docking Rule -- Scientific research indicates that the incidence of rectal prolapse is reduced when the tail is docked in a non-extreme manner. The recommended method is to dock at the distal end on the caudal fold. (3rd caudal vertebra) Complete tail removal (extreme docking) is not an accepted sheep production practice and is discouraged for all Utah Junior Livestock sheep projects. The rule is market lambs or breeding sheep showing any signs of contagious disease or current or recent signs of prolapse, or with an open sore on the dock, (rosebud) will be sifted from Utah Junior Livestock Shows at the discretion of the state show vet at the time of weigh in and his/her determination is final.

16. Lambs must be tight shorn before they cross the scale at weigh-in with **NO BUTT PATTERN.**

17. Male animals must be castrated. No open sores permitted.

18. All beef exhibits must be halter broken and fit for the show. Market Beef must have been dehorned.

19. Any animal in the show may be used for Junior Judging.

20. Any animal showing disease or poor health will not be admitted to the Show. Drug testing will be performed on Grand and Reserve Champions as well as any other animal in each species as determined by the committee.

21. The UBJLS committee reserves the right to sift prolapsed lambs from the show or sale at anytime.

22. Drug Withdrawal – It is unethical and in most cases even unlawful to administer drugs to livestock within 20 to 30 days of slaughter. Animals too unmanageable to show should be withdrawn from their class rather than be tranquilized. The local show committee and the show veterinarian will monitor this situation. By federal regulations, random testing will occur at slaughter, and animals will be condemned which have been given any injection or oral dosages of tranquilizers, pain killers, antibiotics, diuretics, steroids, or other foreign substances during withdrawal periods before slaughter. All sales money will be withheld in such cases. Bloat medicine and other medications with no withdrawal requirements may be permissible. **Exhibitors need to be aware of potential health hazards to consumers who eat animals that have received any above-mentioned dosages. Please do not put someone's life in jeopardy.**

23. Any complaint must be in writing and be accompanied by a \$25.00 deposit. If the grievance committee agrees with the complaint, the deposit will be refunded. If not, the deposit will be forfeited. The grievance committee consists of the Extension Agent, President and Vice President.

24. Grand and Reserve Champion lambs will be sold and slaughtered.

Ribbons and Awards

25. Animals shown in the wrong class won't be awarded premium money. It is the exhibitors' responsibility to be ready for their class.

26. Premiums in cash are offered to enrolled members of FFA and 4-H. They will be paid on the day of the show. Ribbons will be awarded to indicate the decisions of the judges.

Auction

27. Any effort to influence buyers on the day of the sale is prohibited.

28. All Grand Champion and Reserve Champion animals must be sold through the auction. The “*Star Class*” will be the top 10 animals of each species as ranked by the judge. No white ribbon animals will go through the auction.

29. Once an animal has gone through the sale, regardless of buy-back, it is no longer eligible to enter another show. **If an animal goes through the auction, it must be sold. If an exhibitor is not willing to accept the sales price, the exhibitor should buy the animal. In which case, sales commission and other fees will be charged.**

30. A sales commission of 4.0 percent for hogs, lambs, and goats; and 1.0 percent for beef, will be charged to cover the cost of the sale on market animals. A \$2 scholarship fee will be assessed for each animal sold through the sale.

31. Checks for Market Animals will be mailed **60** days after the show. The committee may hold checks until payment has been received from the buyers. *Buyers must pay within 30 days of the sale or be charged a service charge.*

32. Exhibitors are responsible to clean their pens and have a committee member do a clean pen check. Failure to do so will result in a \$25 cleaning fee deducted from the exhibitor’s check. Pens must be labeled with the exhibitor’s name, contact phone number and animal tag number which must remain on the pen after the exhibitor has left the fair grounds.

RATE OF GAIN CONTEST

33. To be eligible for the Rate-of-Gain contest, beef must be weighed at Western Park on March 19, and hogs, sheep and goats on April 2, 2011. The rate-of-gain will then be determined by the weigh-in at the show. Winners will be announced at the awards' banquet. Awards will be given to the top 5 participants in each species.

CARCASS CONTEST-OPEN TO ALL EXHIBITORS

34. To enter an animal into the carcass contest, exhibitors will pay \$5 at the show to have the animal scanned by ultrasound for carcass quality traits on June 28th between 10:00 a.m. thru 4:00 p.m. Each animal will be scanned only once. Winners will be announced at the awards' banquet. Cash prizes will be awarded in each species as follows:

- 1st \$50.00 in each species
- 2nd \$25.00 in each species

SHOWMANSHIP CONTEST RULES

35. Contestants are permitted to compete with their own livestock only.

36. Fitting and Showing will be for market animals.

37. Grade classifications are:

- Junior-grades 3rd, 4th, 5th**
- Intermediate-grades 6th, 7th, 8th**
- Senior-grades 9th, 10th, 11th, 12th**

38. The top three participants in each class in Fitting & Showing will receive premium money as follows: 1st = \$10.00; 2nd = \$8.00; 3rd = \$5.00. All other participants will receive a \$3.00 premium.

ROUND ROBIN

In Round Robin Showmanship, exhibitors test their skills in showing beef, lamb, hogs, and goats. Contestants will be judged for showmanship with their own animal and their showmanship with the other three species.

39. Eligible contestants are the top two showmen from the intermediate and senior age groups in each species. If a contestant qualifies in two species, she/he may choose which species to represent in the Round Robin. If one of the two showmen does not participate, the third place showman may take his/her place.

40. Each exhibitor will show his/her own animal in the contest. After each has been judged showing his own animal, exhibitors will rotate to the next species, and continue until each of the 16 exhibitors has been judged with all species.

41. Contestants will be judged on a system which awards points for ability and knowledge. The high point individual will be the Round Robin Showmanship Champion.

JR. JUDGING CONTEST

42. The Jr. Judging contest is an individual contest and participants must compete without assistance from other participants, parents, leaders or other youth. Use of cell phones during the Jr. Judging contest is prohibited. Committee members will be present to answer questions and help participants understand procedures. All other non-participants must leave the area designated for the contest. Any violation of this rule will result in disqualification from the contest.

SPECIAL ACHIEVEMENT AWARDS

43. The Special Achievement Awards for each species will be awarded by a point system. Exhibitors will be awarded up to 5 points for the portfolio book contest. Points for placing in the top 10 for market classes, showmanship, and junior judging will be awarded as follows:

10th – 1 point

9th – 2 points

8th – 3 points

7th – 4 points

6th – 5 points

5th – 6 points

4th – 7 points

3rd – 8 points

2nd – 9 points

1st – 10 points

Tie breakers:

1. Portfolio book points
2. Junior judging placing
3. Market class placing

The 2011 Uintah Basin Junior Livestock Show Premium Book and Entry Form can be viewed by going to our USU extension website at the following address:

<http://extension.usu.edu/uintah/>

BREEDING HEIFER CLASS

1. Beef breeds only.
2. Heifer calves only.
3. Only those exhibitors and animals entered in UBJLS breeding heifer classes in 2010 are eligible for the 2011 breeding heifer classes. Yearling heifer calves must have been shown as a heifer calf at UBJLS in 2010. 2 year-old cow with calf must have been shown as a yearling heifer calf at UBJLS in 2010.
4. This is a 3 year project - the first year shown as a calf, the second year shown as a yearling, the third year shown as a pair.
5. Animals should be clipped and washed prior to the event.
6. Animals must be halter broken. Any wild or unruly animals will be removed from the show.
7. Any product administered internally or used externally to alter the conformation and or appearance of the animal is prohibited. This includes covering of white skin, false tail heads, or use of false hair. Animals found in violation will be barred from the show.
8. Each animal will be tattooed in the left ear to continue through the 3-year project. If a tag is lost throughout the year, the animal must be retagged before next year's entry with verification of the tattoo in the ear. Yearling heifers and young cows must have a bangs tattoo in the right ear.
9. The fee for entering the breeding heifer class will be \$10.

4-H & FFA MARKET CLASS OF LIVESTOCK

Purple, Blue, Red, and White ribbons will be awarded in all Classes. Premium will be given as follows:

Purple = \$10.00 Blue = \$10.00 Red = \$5.00 White = \$3.00

MARKET BEEF

This is a steer or heifer weighing 1000 pounds or more. Beef should not be older than 24 months. Beef must have no more than 1 set of permanent incisors.

Ribbon Designation: Purple, Blue, Red, White, Grand and Reserve Champion Rosette and buckles.

MARKET HOGS

This is a barrow or gilt weighing 220 pounds or more.

Ribbon designation: Purple, Blue, Red, White, Grand and Reserve Champion Rosettes and buckles.

MARKET LAMBS

This is a lamb weighing 100 pounds or more. Lambs should not be older than 12 months. Lambs must have milk teeth in normal positions and no permanent incisors erupted.

Ribbon designation: Purple, Blue, Red, White, Grand and Reserve Champion Rosettes and buckles.

MARKET GOATS

This is a goat weighing 45 pounds or more. Goats should not be older than 12 months. Goats must have milk teeth in normal positions and no permanent incisors erupted.

Ribbon designation: Purple, Blue, Red, White, Grand and Reserve Champion Rosettes and buckles.

Buying Procedures

Buyers have three options when purchasing animals. They are *Support, Home or Slaughter.*

Support

§ If you select this option, you will bid on an animal that you do **not** want to take home or send to slaughter. You place the animal on support. The amount you pay for the animal is the sale price you bid, minus the market value of the animal.

For example: You buy a hog on support for \$300.00. The market value of the hog is \$75.00. You would pay \$225.00 for the hog, but you do **not** keep the animal.

Home

§ If you select this option, you will pay the full price for the animal you purchase. Then, you are responsible to transport or arrange to have someone transport the animal from the Western Park on the same day as the sale.

Slaughter

§ If you select this option, you will pay the full price for the animal, and the animal will be taken to slaughter for you.

Terms & Conditions of Sale

§ Buyers are asked to make immediate payment upon receipt of billing. **The exhibitors do not receive their checks until the buyers have paid.**

§ All sales are final. Once an animal leaves the sale ring the sale price will be final.

§ In the event of a tie bid or a dispute, the auctioneer's decision will be final.

Code of Ethics

A. Treating an animal internally or externally, with any irritant, counterirritant, or other substance used to artificially change the conformation or appearance of an animal for show is considered unethical, inhumane, and is prohibited. This includes, but is not limited to, the use of graphite, powders, hemp, artificial hair, coloring, common products such as fly spray, ointment, or liniment used to the point that it is irritating, or similar type products. The use of dyes, spray paint, or other artificial coloring, which results in altering an animal's true and natural appearance and/or color, is prohibited. Adding false hair or hair like material, fleece, or skin at any point, spot, or area of the animal's body is illegal and will result in immediate disqualification. Any liquid or substance not considered part of an accepted and normal diet for livestock is deemed illegal and inhumane. For example: the use of alcoholic or carbonated beverages as a drench or filler, etc. Drenching will not be allowed unless the show veterinary or a show official is present and is needed for emergency purposes only.

B. The use of tranquilizers, sedatives, or depressants, which alter the physical or physiological state of the animal, is illegal. Exceptions to this rule would be licensed, certified veterinarians, treatment for a recognized disease or injury, or recommendation for tranquilizing breeding animals in heat that might compromise the safety of others. The drugs must be approved by the Food and Drug Administration for use in meat producing animals. All exhibitors will advise show management of any drug and/or medication administered to an animal that might be detected at the time of showing or at meat inspection. The name of the drug, its purpose, the person who administered the drug, time, and date of administration will be presented to show management prior to the showing and sale of the animals. Failure to report this information will result in severe penalty and/or disqualification. Any use of drugs or substances not approved by the Food and Drug Administration is strictly prohibited. All animals entered into livestock competition will be subject to testing for foreign substances that exceed acceptable levels established by the FDA, FSIS, USDA, or EPA. During the livestock event, in the case of an animal requiring treatment, all medication shall be administered by a licensed veterinarian and the livestock show officials shall be notified.

C. Surgery, injection or insertion of foreign material under the skin and/or into the flesh of animal to change the natural contour, conformation, or

appearance of an animal's body is illegal. This includes vegetable oil, silicon, or any other substance used to alter an animal's shape. Acceptable practices of physical preparations, which are allowed, include: clipping of hair, trimming of hooves, dehorning, or removal of ancillary teats.

D. The use of inhumane fitting, showing, and/or handling practices of devises shall not be tolerated. For example: breaking of tails, striking of the animal to cause swelling or for bracing purposes, use of an electrical contrivance, muzzles, etc. is not acceptable.

E. Direct criticism or interference with the judge, show management, other exhibitors, breed representatives, or show officials before, during, or after the competitive event is prohibited.

F. At the time an animal is sold at auction at the livestock show the exhibitors shall be held directly responsible for animals that are rejected at the processing center due to the presence of foreign residues. The seller may be liable to the buyer for an amount equal to three times the purchase price and may also be liable for attorney's fees and civil penalties. Show management may share acceptable intelligence and evidence information with FDA or USDA. If, for any reason, the FDA or USDA inspectors must remove any part of a meat animal carcass, the market price will be discounted.

G. Show management reserves the right to require animal health certificates. Health inspection and diagnostic tests may be made before or after animals are on the livestock show premises for exhibitor and animal safety, or to inaugurate disease control procedures which may become necessary in emergencies as determined by animal health officials. Any violation of the "Utah State Junior Livestock Code of Ethics" or specific rules as designated by individual fairs and livestock shows will result in forfeiture of premiums and awards, disqualification, and may result in probationary status and/or loss of eligibility for future participation in organized livestock competitions. Possible civil penalties may be imposed by the proper authorities based on evidence provided by the livestock show of exhibitors in violation of the Federal Food, Drug and Cosmetic act/or the animal mistreatment, neglect, and abandonment laws that apply on the local, state, and national levels. Other cooperating shows will be notified of the action taken by show management, which may affect the eligibility of the individual, group, or sponsoring organization for participation at other shows. The decision of the livestock show management will be final.

Rules

1. All goats will be required to have milk teeth in normal positions and no permanent teeth showing at the time of judging. Any goat that has lost one or both of its milk teeth will be disqualified.
2. Goats shall be healthy and free of any visible diseases or open sores.
3. Goats will be required to be either disbudded or have horns tipped. No sharp points will be allowed. No tipping of the horns will be allowed on the grounds.
4. Wether goats must be castrated prior to arriving on the show grounds.
5. Goats should be shorn uniformly 3/8" or less above the knees and the hocks.
6. No painting, powdering, or artificial color will be allowed.
7. Exhibitors will be allowed to use halters or collars in the show ring.
8. The goat that is used for the Showmanship class must be entered in a Market class.
9. Animals that endanger exhibitor(s) will be removed from the show.
10. The show is open to both wethers and does.

11. No unethical treatment or handling of the goats will be tolerated.
12. Entry fee will be \$10.00 per goat due on May 28, 2011. No late entries will be accepted. The entry fee will cover market and showmanship classes.
13. Premiums will be paid as follows:

Market Show	1 st	\$10.00
	2 nd	\$ 5.00
	3 rd	\$ 3.00

Showmanship (In each age group)		
	1 st	\$10.00
	2 nd	\$ 8.00
	3 rd	\$ 5.00

Other exhibitors in Showmanship will receive a ribbon and a \$3 premium.

Code of Conduct for 4-H Events

A primary goal of the 4-H program is to build character in youth while participating in 4-H. 4-H promotes the CHARACTER COUNTS, six core ethical values: trustworthiness, responsibility, caring, fairness, citizenship, and respect. The following Code of Conduct is designed to assure that the 4-H Program provides a positive environment for all individuals to develop character.

Trustworthiness

- I will be worthy of trust, honor and confidence.
- I will be in the assigned area at all times.
- I will be a model of integrity even when the cost is high.
- I will be honest in all my activities. 4-H does not permit dishonesty by lying, deception or omission.

Caring

- I will be caring with my relationship with others.
- I will help others in my group to have a pleasant experience by striving to include all participants.
- I will be kind and show compassion to others.
- I will treat others the way I want to be treated.
- I will show appreciation for the efforts of others.

Citizenship

- I will be a contributing and law abiding citizen.
- I will not use any illegal substance (e.g., tobacco, alcohol or non-prescription drugs.)
- I will be respectful to the environment and contribute to the greater good.

Responsibility

- I will be responsible, accountable and self disciplined in the pursuit of excellence.
- I will live up to high expectations so I can be proud of my work and conduct.
- I will be on time to all events.
- I will be accountable by accepting responsibility for my choices and actions.
- I will be responsible for any damage, theft or misconduct in which I participate.

Fairness

- I will be just, fair and open.
- I will participate in events fairly by following the rules and not taking advantage of others.

Respect

- I will show respect, courtesy and consideration to every one, including myself.
- I will dress appropriately and tastefully at all events.
- I will act and speak respectfully. I will not use vulgar or abusive language.
- I will treat program areas, lodging areas and transportation areas with respect.
- I will appreciate the diversity in skill, gender, ethnicity and ability. 4-H does not permit statements or acts of prejudice.
