DATE & TIME	OMK AFTERSCHOOL KIDS CLUB	AGES
<p>October 11 4:00-5:30pm</p>	 <p><b>Science Gone Crazy!!</b> Wacky, Weird, and Crazy Science Party!! Join us as we jump into some amazingly “spooktacular” science projects! Boo Bubbles, Atomic Green Slime, Insta-Worms and more! Don’t miss this; it’s going to be a “thrilling” good time!!</p>	<p>8-14</p>
<p>November 8 4:00-5:30pm</p>	<p><b>Be “Sew” Thankful</b> Come and learn the basics of sewing and create two great gifts to share! We will sew something fun for you to send to your soldier, and also something for the amazing person that takes care of you here at home. This camp will teach a useful life long skill that all can use, as well as provide a way to show gratitude to some really special people this Thanksgiving season.</p>	 <p>8-14</p>
<p>December 20 4:00-5:30pm</p>	<p><b>Lego WeDo Robotics Camp</b> Campers will learn how to build and program robots using the Lego WeDo Robotics Construction set. This camp will introduce your child to robotics as well as incorporate software to that they will use to program their robot and bring them to life. A great opportunity to help develop your child’s science, technology, engineering and math skills all while having a great time!</p>	 <p>8-14</p>
