Thanks for your interest in the Utah Wildlife Habitat Evaluation Program. Please send a check payable to Utah WHEP to the address listed above by **April 3, 2012**. For your interest, registration fees help to defray the cost of running the contest, including: contest materials, contest t-shirts, and the winning team's travel to the National contest. We look forward to your participation April 20th. Please plan on meeting at the registration site (to be announced) by 11:30, so that we may start on time. I'll contact you with any further information.

Sincerely yours,

Nicki Frey

Utah WHEP Coordinator
