

ZIP, ZAP, ZOOP

Items Needed: None

Everyone sits in a circle on chairs. One person stands in the middle and is "IT". They point to someone and say, "Zip", "Zap", or "Zoop". If they say "Zip", the person pointed to has to say the name of the person on their left. If IT says "Zap", they say the name of the person on their right. If "Zoop" is said, everyone has to switch places, and the person in the middle tries to sit down. The last person standing is IT.
